

## **LEADING SAFETY PRACTICES FOR CONTRACTORS**

VA BEST is similar to the Voluntary Protection Programs (VPP) but specifically designed for Contractors working on construction jobsites. Learn from other Contractors and Subcontractors working on various job sites and their experience in the VA BEST program gave employees at all levels more buy-in and power to ensure safer jobsites for everyone.

Representatives from firms like Holder Construction and Southern Air will talk about their experience working with front line employees and management on processes to make jobsite a better place for everyone. To learn more about the VA BEST: <https://agcva.org/workforce-development/best-program>.

**Presenters:** GORDON DIXON – CEO, ASSOCIATED GENERAL CONTRACTORS OF VIRGINIA  
TOMMY GAY, SAFETY DIRECTOR, SOUTHERN AIR INC.
